CARMELCREST

Sector: Healthcare  
Client: South London Healthcare NHS Trust  
Value: £80,000  
Duration: 1 week

**Carmelcrest were selected as main Contractor under competitive tender for this Privacy/Dignity scheme designed to divide the male/female areas of the Day Surgery Unit.**

Time was of the essence here as valuable revenue would have been lost should the scheme be completed late. Taking place during the Easter break, working round the clock, Carmelcrest completed on time and on budget and achieved a beautiful finish. The client was very happy with the result and has given his approval to be contacted for a reference. Carmelcrest are being invited to tender for other schemes at the hospital.

Carmelcrest have been working with hospitals for over twenty-five years, which means we have the expertise to give our clients work they can be proud of. We have an in-depth understanding of Healthcare work, which gives our clients peace of mind.
